

HIGH HOLY DAYS 2023 / 5784

This High Holy Day season, participate in our Yom Kippur Food Drive.

On Yom Kippur, we will read from the prophet Isaiah, who tells us that the true meaning of the fast day is to feed the hungry and fight oppression. Your support is vital and will make a meaningful impact during these challenging times for our community.

FJC is supporting the Freehold Area Open Door. Open Door is a non-profit interfaith agency that provides the following four programs: a Food Pantry Program, an Emergency Funding/Advocacy Program, an After School Program, and a Scholarship Program. There has been a great need for all these services during this pandemic.

There are two ways you can participate:

Donate the non-perishable food you would normally have eaten on Yom Kippur.
Drop off your food donations at FJC any weekday from 9 a.m. - 2 p.m.
Food donations are being accepted until Tuesday, October 2nd.

Donate financially to Open Door.
Send your check, made payable to Open Door, to the FJC and we will deliver your check.

This is a worthwhile cause that makes a difference to so many in need within our community. Thank you for your support! It is needed more than ever.
